

# **ARBITER MODELING SYSTEMS**

## **Web Developer**

We are looking for a software developer with proven experience in design and development of web applications.

Skills and requirements:

- 3+ years of experience developing web sites/applications
- Strong understanding of front & back end technologies
- HTML5, JavaScript and jQuery
- Exposure to mobile application development

You will be working in a close-knit team, and will be exposed to all aspects of the software development life cycle.

Please forward your resume and academic transcript to Dr M Simakov at **jobs@arbsys.com**
